Student Poverty FRPM Data

Downloadable data files pertaining to students eligible for Free or Reduced Price Meals (FRPM).

This page contains the complete data files pertaining to students who are eligible for Free or Reduced Price Meals (FRPM). FRPM data are collected annually. Beginning in 2012–13, the data reflect Fall Census Day (first Wednesday in October) data certified by local educational agencies as part of the California Longitudinal Pupil Achievement Data System (CALPADS) Fall 1 data submission. Because the source of data has changed over the past few years, it is important to refer to the file structure for further details regarding the file's content.
